History Of Society

Since its inception in the year 1966, Surat Education Society has been active in accomplishing its aims and objectives to serve the society better through the establishment of various Educational Institutions. Karmavir and renowed Co-operative, Social and political leader, Shri. Shambhubhai Patel was the pioneer of it. His dreams and visions were behind it. With his feet firmly on the ground, his head was held high. Shri. Shambhubhai lived simply with mere basic needs and most unlike the heads of other trusts. He was always concerned about development and progress. Since childhood, he was having interest in politics and social welfare. He had a clear vision of what he wanted to do for the society.

Shri Kamleshbhai Patel, a well-known advocate and academician joined hands in this 'YAGNA' as the president. Through his devotion, the society has become stronger. He has many best qualities like imagination and innovation. Whatever he plans using these qualities, he executes them well. ''Dream Big, Aim for the best" is his 'mantra'. Good self-discipline is a hallmark of this Leader. He always has "Can Do" attitude.

Shri Nitinbhai Mehta, SECRETARY OF SURAT EDUCATION SOCIETY, a well known social worker of the city also has an ability to provide valuable guidance in the development of the institutes of the society. He is the person who transforms obstacles into opportunities. He has sheer commitment in whatever he does. He believes in infrastructure of par excellence. He is a confident person and puts full confidence in his team and organization.

Shri Shanilbhai Patel, as a young, dynamic leader, works as the Joint Secretary of the society, continuously, provides guidance and encouragement in the society's activities. His persistent presence and work for the society's institutes have helped a lot and these will successfully enhance the objectives of the society. He believes in "Resolution + Hard work = Success." He always welcomes fresh ideas and ideals. He is both the thinker and performer. He believes in energy through synergy.

Our College

Considering the growing demand of the present day professional education, geographical expansion of Surat city and increasing number of population, the society has decided to enter in this thrust area of education.

Shri Shambhubhai V. Patel College of Computer Science and Business Management is established in the year 2008 offering two courses - one is in management and the other is in computer science.

Our Commitment

"We care for overall personality development of our students through the use of innovative teaching methodology."

"We take care that our students are well-equipped with domain knowledge, creativity, experimental learning, proper skills and a positive attitude.

Introduction

Shri Shambhubhai V. Patel College of Computer Science & Bussiness Management is one of the premier institution dedicated to provide quality-education in fully-integrated and multi-cultural environment. The college is located in the heart of Surat City near the Railway Station. Shri Shambhubhai V. Patel College of Computer Science & Business Management is committed to achieve excellence in the academic development of students and professionals. The college offers courses in Bachelor of Business Administration and Bachelor of Computer Application.

Affiliation

Shri Shambhubhai V. Patel College of Computer Science & Bussiness Management is affiliated to Veer Narmad South Gujarat University.

Aims & Objectives

Shri Shambhubhai V. Patel College of Computer Science & Business Management aims to inspire young people of diverse backgrounds a genuine and enduring love for learning. We seek to Teach them to think critically and instill in them the capacity for both independent and collaborative work. The College seeks to develop in students the technical expertise, management abilities and professional versatility required in today's knowledge - based economy. The college's goal is to be a preferred provider of higher education in Surat.

Developing the Professional Graduates

Graduates, today enter a highly competitive world and are expected to meet the demands of continuously changing business environment. The lectures conducted at Shri Shambhubhai V. Patel College of Computer Science & Business Management are designed to equip students with the skills and the expertise, give them opportunities to develop their knowledge and building an in-depth knowledge of specific sectors which is required in today's competitive world. The faculty members take pride in their commitment to teach, know students by name and to prepare them to become responsible citizens of the global community.

The Learning Environment

Teaching is based on lectures, seminars and professional tutorials. In seminars, small groups of students evaluate case studies or discuss in detail the materials covered in lectures. Personal tutorial sessions allow students to discuss any aspect of the course on a one-to-one base with their tutor. Teaching takes place in fully equipped lecture rooms with the required support systems.
